

INSTINCT FILMS

We are a young, local film company looking to support and help local businesses.

As you know, it is vitally important for today's successful businesses that you have a good presence on the internet. Instinct Films are offering you the chance to make a promotional video which can be posted onto Facebook, YouTube, Instagram or any other social media platform of your choice.

We are professional editing software certified

We have a wide range of camera knowledge

We have a broad range of lighting & sound experience

Drone camera capability

We will do all filming, editing and provide you with the final short film starting from as little as £125+VAT (price is dependent on length of final film). If interested in this opportunity to promote your organisation please contact Ross Keeley on ross.keeley@instinctfilms.co.uk or call **07792 818858** to discuss how we help you develop your online presence.
